

IT'S NEVER TOO LATE TO JOIN OUR SCHOOL COMMUNITY TRANSFER TO STS. PETER & PAUL TODAY!

If your student is looking to be challenged academically, and to get involved in their school's community, consider enrolling at SSPP.

SSPP student-athletes can score big all year long—we offer a wide variety of sports including: **baseball, softball, soccer, basketball, hockey, track, Girls on the Run, Boys on the Right Track**, and much more!

Middle School students have the opportunity to take **New York State Regents level courses** in math and science to gain high school credits prior to entering high school.

Students of all grade levels can participate in a variety of year-round extracurricular activities—giving them opportunities to explore their interests, including: **Math League, 8th Grade Newsletter, STREAM Cooking Club, Health and Fitness Club, Garden Club, Music and Theater Club, Chess Club, and Robotics Club**, just to name a few!

At SSPP, our teachers provide rigorous and engaging instruction that yields high academic achievements. The results speak for themselves in our students' performance across all New York State, **STAR Reading** and **STAR Math** assessments

Want the full SSPP experience? Shadow a student for a day to get a feel for what it's like. Learn more at ssppsaints.org
